WHERE I'VE WORKED

Personify 2013-17
Lead Web Designer, Communities

As Lead Designer for Small World Community, I was in charge of designing, implementing and maintaining the designs on 100+ hosted communities, working with clients and other team members to adopt best practices and setting the highest possible standards, while staying within budget and giving our non-profit customers the highest returns on their investment. In this role, I have streamlined our internal processes, enhanced our in-house platform and improved the visual design of each of our communities for a team 600% larger than it was prior to my hiring.

Texas A&M Health Science Center 2008-13
Webmaster & Web Designer

Oversee, design, deploy and maintain the online presence of TAMHSC via desktop and mobile platforms. Handle the day-to-day oversight of the content for university-wide web pages, public relations, news (RSS) feeds, web publications and archives as well as being responsible for the compliance with relevant state and federal regulations. System administration for university-wide news site powered by WordPress. Conduct training on use of content management systems.

Web Unlimited 2005-08
Creative Director

Managed and guided team of designers. Worked directly with clientele to custom design websites to fit their needs. Designed logos, business cards, and stationary and other print materials such as ads and multi-paged brochures. Helped to maintain websites for 200+ clients. Basic computer and email support for hosting clients. Gained project direction and management skills.
